

# Who will be the BITE Sussex Dogs Dinner Winner 2026?

The annual BITE Sussex Dogs Dinner Competition returns to Brighton Beach House on Marine Parade on Saturday 27 June 2026 from 9.30-11.30am.

Professional chefs are challenged to create a doggy treat to present to our panel of the city's canine critics, assisted by their owners who will score the reaction of their dogs.

The winning chef will be presented with the much coveted, one-off Dogs Dinner Winner 2026 bowl to display in their venue.

There is no cost for chefs to participate; we just ask that you can join us on the morning of the event with 15 bite-sized canapés. These must be self-contained so that they can be easily handled so no gravies.

100% of ticket money will be donated to RSPCA Brighton, supporting animal welfare in the city.
